Re: **John Jurco**

To whom it may concern:

John Jurco worked as an associate lawyer in our firm for over five years. John is intelligent, hard working, and generous in offering help to others. John has a strong work ethic and is conscientious of his work – which work included litigating matters in state and federal courts in West Virginia and Ohio. Above all else, John has integrity and is honest.

Very truly yours,

SCHRADER BYRD
